

December 2022

PRODUCT SUPPLY

MINICOLLECT® AND MINICOLLECT® COMPLETE TUBES

Dear Customer,

We are currently experiencing supply issues of the MiniCollect® and MiniCollect® Complete blood tubes. To address this situation we would like to inform you of the alternative products available below.

As a responsible company we want to make you aware that we expect this limited availability to continue over the coming months, improving during Quarter 1 2023.
