**REPUTABLE BRAND.** As a family owned business, Timesco have been at the forefront of medical product design and innovation since 1964 and are recognised as one of the most progressive and innovative companies within the industry. We are proud to manufacture and supply an unrivalled portfolio of medical products to medical professionals in Anaesthesia, Surgery, Podiatry & General Medical.

**END USER SATISFACTION.** It's important that the end user is satisfied with the products that we supply. From concept through to design and manufacture, our aim is to deliver products made to exceed internationally recognised quality standards and customer expectations.

**CONVENIENT LOGISTICS.** All of our products are available to order direct, alternatively we work with third party distributors including NHS Supply Chain, Bunzl and Squadron. The majority of our General Medical products are available across a number of NHS Supply Chain framework agreements.

**SALES SUPPORT.** We have a dedicated external field sales team strategically located offering extensive coverage across the UK (Territory Manager details are available on request). We also have an internal sales/customer support team based at our head office in Basildon, Essex.

Our sales and support team are available Monday to Friday from 9am to 5pm.
