VACUETTE®

SERUM GEL TUBES

Temporary Supply Disruption

Dear Customer,

Please be advised that we are currently experiencing a temporary disruption in the supply of our Serum Gel product range which is expected to continue over the next 4 weeks whilst we reestablish normal inventory levels.

The following material numbers are affected; however, we have inventory resilience measures in place with suitable alternatives listed below to support continued supply:

MPC	NPC	Alternative
454205	KFK383	454228 (KFK305)
454319	KFK342	
456010	KFK061	456018 (KFK304)
456092	KFK227	455092 (KFK259)

If you require any further information, please contact your local Account Manager or the UK Customer Service Team at sales.uk@gbo.com

Yours sincerely
Greiner Bio-One Ltd.
