

Please be aware of upcoming product changes

## Solventum is phasing in new designs of the 3M™ Bair Hugger™ Underbody Warming Blankets

This update is intended to streamline manufacturing processes and enhance service levels.

Catalogue identification and SKU ordering numbers have been updated; however, these changes do not affect clinical practice. The new blankets remain fully compatible with existing 3M™ Bair Hugger™ Warming Units.

### Current vs New Design

[See back for important product ordering updates](#) >

*Current:* Circle plastic hose card on edges of blankets

**New:** Over body blanket hose card (square paper board) on top surface

*Current:* Tuck flap with attachment tape

**New:** No tuck flap. Replaced with larger adhesive strips

*Current:* Rounded edges, cut-out the perimeter of blankets

**New:** Rectangle shaped with perforations where applicable

*Current:* Various folding methods (burrito/rolled, halved, etc.)

**New:** Rectangle folded like the over body blankets

For more information, please contact your local Solventum sales representative.
