

**Date: May 2026**

**Update: 3M™ Bair Hugger™ Underbody Warming Blankets Launching June 2026**

Dear Valued Customer,

Solventum will be introducing updated designs for the Bair Hugger™ Underbody Warming Blankets to **increase production capacity** and **improve service levels**, with changes including **new catalogue codes**. The launch of the updated Bair Hugger™ Underbody Warming Blanket design will commence in June 2026.

These blankets are compatible with existing 3M™ Bair Hugger™ Warming Units and should not impact your clinical practice.

Key differences to note:

- The tuck flaps have been removed from the 635, 585 and 555 blankets and replaced with optional adhesive strips
- The hose card used to attach the warming unit hose are now cardboard instead of plastic and are located on the top of the blankets instead of the sides

If you have any questions about this change, please contact your Solventum Account Manager. Thank you for allowing us to serve you now and in the future.

Regards,

Caitlin A. Bissell
