**Subject:** Temporary Supply Constraint – 3M™ Ranger™ Blood/Fluid Warming Sets

Dear Valued Customer,

We are writing to inform you of a temporary short term supply constraint affecting select 3M™ Ranger™ Blood/Fluid Warming Sets.

This temporary constraint is the result of raw material transitions associated with continuity planning and an increased strong demand for these products.

We understand the importance of reliable product availability and sincerely regret any disruption this may cause. Our teams are working diligently to improve supply as quickly as possible while continuing to uphold the quality standards you expect from Solventum. We will do our best to produce as much supply as possible during this period.

If you have any questions or need support managing orders during this time, please contact your local Solventum Account Manager or contact us through the following link: [Solventum Contact Us](#)

Regards,

Solventum MedSurg Business
