

Dear Valued Customer

January 2023

Discontinuation of Venofix Safety®

B. Braun Medical Ltd would like to advise that we will be discontinuing the Venofix Safety® Infusion Set product range.

As of 1st April 2023, B. Braun Medical Ltd will no longer supply Venofix Safety®, on this date it will be discontinued on the NHS Supply Chain catalogue.

Venofix Safety® is a product that is often used for sub-cutaneous infusions, an alternative product that can be used for this practice, is Introcan Safety® 3 Closed IV Catheter. A full range of Venofix Safety® and Introcan Safety® 3 Closed IV Catheter codes can be found in Appendix 1 and 2 on the next page.

The B. Braun Sales and Clinical Therapy Specialist team are on hand to offer any clinical guidance or support regarding the handling of Introcan Safety® 3 Closed IV Catheter for sub-cutaneous infusions. To request further support, please contact your local B. Braun IV Therapy Sales Specialist or email; IVTherapy.bbmuk@bbraun.com.

Yours Faithfully
