

This is to certify that  
**DXC Technology (UKSS)**

Royal Pavilion, Wellesley Road, Aldershot, Hampshire, GU11 1PZ

Has been assessed  
by Simon Synowiec for NCC Group PLC  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: DXC Technology (UKSS) External Network Infrastructure and Workstations

Certification date: June 30th, 2020

Recommended re-assessment date: **June 29th, 2021**

Certificate no.: 2053463757505375

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
