

## Medical Pulp Macerators and Support Products

### Detergent Proof Washbowls User Guide

Did you know by not double bowling you could help the NHS save over £1 million a year?

**1**

Remove one bowl for use and if not using mixer tap, add cold water first

**2**

Add hot water second

**3**

Add soap or detergent to wash the patient

**4**

Dispose of bowl no more than two hours after use and follow macerator instructions
