Since 1903, Typhoo has produced Great British Tea, offering a range of teas from decaf to extra strong, made with ingredients picked from the best crop for the perfect cuppa.

Walkers is a leading brand of crisps in Britain, offering a variety of tasty products from baked to rigid and snacks to sensations.

## A Note From the Experts: Culinary and Dietetics

“Ready Brek is a great versatile product due to its smooth texture. This could be in overnight oats giving it a smooth and creamy finish, breakfast muffins, flapjacks and much more. Ready Brek is also a great option for people that are on modified diets.” - Millie Morgan, Culinary Specialist, North

“Ready Brek contains added vitamins and minerals such as Calcium, Vitamin D and no added salt or sugar. It’s easy and flexible to prepare as you can mix with milk for a more calorie dense option or water for lower calories” - Abigail Attenborough, Nutrition Compliance Manager
