NHS Supply Chain Direct Route

For Office Technology we can work with our suppliers to source and provide the above range of products along with specialist equipment and software for the office environment. To explore your options please email office solutions with your requirements as soon as they are identified.

To assist us in gaining quotes quickly please confirm the timescale you are working with for the project, the quantity of each products you are likely to need and specification of the requirements. We can also work with you and offer assistance with your project work, the sooner you contact us, the better.
