

# eDC - Software Release Notification

eDC Web Application v1.17.0.231

27 November 2019

# What's New?

## eDC Web Only - Informed Ordering

eDC Informed ordering will now provide visibility whether an item is In or Out of Stock.

Please note this does not guarantee to satisfy demand and should only be used as an indicator. The following product types and routes are not inclusive of this informed ordering release:

- eDC Gold
- PDA Screens
- Local Non-NHS Supply Chain Catalogue codes
- Blue Diamond products
- eDirect products
- Suspended and No longer available items.

## New fields are:

- **Requirement Summary** - Creating or amending a requirement will now display In Stock or Out of Stock next to NPC

The screenshot displays the 'Requirement management' interface for a specific product. The product name is 'FTK002 - Irrigation set Y-type 2x non-vented spikes 2x roberts clamps chamber roller clamp roberts clamp catheter adapter 200cm'. The stock status is 'In stock', highlighted in a red box. The interface includes sections for 'Stock product details', 'Price details (Including VAT at 20%)', and 'Requirement'.

Price details (Including VAT at 20%)					
	Band 1	Band 2	Band 3	Band 4	Band 5
Quantity	1	25	0	0	0
Price	7.96	7.34	0.00	0.00	0.00

	Value	Scaled value
Scaling factor	<input type="text" value="1"/>	
Reorder level	<input type="text" value="0"/>	0.00
Reorder quantity	<input type="text" value="-"/>	0.00
Maximum stock level	<input type="text" value="0"/>	0.00
