

Account Application Form

Dear Customer,

Thank you for your recent enquiry regarding opening an account with NHS Supply Chain.

NHS Supply Chain provides customer-focused healthcare products and supply chain services to the UK's National Health Service (NHS), enabling trusts, hospitals and other healthcare organisations to focus on patient care.

Key benefits include:

- Award-winning online ordering system and electronic catalogue
- Access to over 315,000 competitively priced products
- Regular scheduled deliveries to meet your needs
- Dedicated customer service support.

Under the terms of our charter, NHS Supply Chain is only able to provide this service to front line patient care providers. It would therefore be most helpful if all the fields indicated on the attached application form could be completed as this will enable us to process your application in a timely manner.

NHS Supply Chain delivers to a wide variety of Healthcare locations from Hospitals to small GP clinics and Dental surgeries. It may therefore be necessary to carry out a road and access suitability assessment and to confirm where you would like your goods delivering. If this is required for your location, we will carry out the survey when making the first delivery.

Once we have approved your account application we will contact you to help you place your first order and enable you to get the most from our products and services. Please note orders over £120 are delivered free of charge, orders below £120 will incur a charge of £7.50 towards the cost of delivery. Payment terms are 30 days from date of invoice.

As an added benefit for registered Charities and NHS charitable funds we can offer VAT zero rating on medical/scientific items, so please ensure that you complete our 6 month certificate and return with your application form.

If you have any further queries then please do not hesitate to contact us.

Yours sincerely,
National Admin Team

Expected annual spend?

NHS Supply Chain only emails invoices, please submit an email address for our records

Email address for invoices

Section 3

What percentage of your sales turnover is NHS Business?

Please attach evidence to support this statement

Section 4

Do you wish to purchase now or at any time in the future products classed as "Licensed Medical Products" (LMPs) see appendix 1 for examples

Yes

No

If yes you must complete all the sections 'What type of products will you be ordering from us'. Failure to provide sufficient, verifiable evidence of your suitability to order LMPs will result in you being unable to place demand for this range, even though you may be able to view them in our catalogue.

Acceptable evidence is **one** of the following:

- A copy of your MHRA Distributor or Manufacturers Licence (if applicable)
- A headed letter containing the following – GMC/GDC/GPhC registration number, forename(s) and surname.

As part of MHRA requirements placed on NHS Supply Chain as a distributor of Licensed Medical Products we are required to undertake customer validation checks and as such we reserve the right to restrict supply of Licensed Medical Products to validated customers.

Please note evidence provided will be routinely subject to re validation, subsequent failure will see the range removed from your access.

Account Application Form

Section 5

What type of services do you provide to the NHS?

Which NHS customer are you providing services to?

What type of contract agreement is in place and for what duration?

Are the products being used within your own organisation at delivery location or are they being onward sold to either the NHS or another organisation?

If products are being onward sold, please identify as to whom?

Are there any other considerations to be considered i.e any known clinical impacts directly linked to the ability to transact with NHSSC?

Section 6

- Terms of payment are strictly 30 days from date of invoice.
- Orders below £120 will incur a carriage charge of £7.50 (inclusive of VAT).
- The account must be used monthly or we reserve the right to terminate the account.
- Roll cages and tote bins are to be returned promptly following delivery.
- This agreement does not permit you to use these products for any other customer other than stated above. Evidence of such practices will result in the termination of your account.
- By typing my name/signing below, I certify the above information to be true and correct, to the best of my knowledge, and that this information can be used for the purpose of processing my application.
