

# Nationally Contracted Products (NCP)

## procurement notification:

Medical Pulp, Macerators and Support Products

NCP procurement activity achieves

23% (£3 million)\* national savings opportunity

### Summary

This procurement exercise was undertaken for **Medical Pulp, Macerators and Support Products** and will go live on **8 March 2021**.

The aim was to Improve pricing to all NHS Supply Chain customers by renewing our original Medical Pulp NCP and expanding the available NCP lines from 8 to 13, covering 76% of the framework spend. We have also rationalised the product range and provided a three year commitment with suppliers.

- ▶ For further information on the NCP programme please contact the Operational Productivity team at NHS Improvement on [nhsi.procprogramme@nhs.net](mailto:nhsi.procprogramme@nhs.net).

\* Anticipated annualised savings figures are calculated following conclusion of the award process and are based on national Core Banded pricing using the last 6 months volumes. The impact of margin removal due to the Central Funding model has not been taken into account. Please note these are subject to change after Trust Impact Statements are produced due to further pricing reconciliation. For further details please contact NHS Supply Chain.
